A NEW *Fund Raising Plan*

TO INCREASE YOUR SUNDAY COLLECTIONS AS MUCH AS THREE TIMES THE PRESENT CONTRIBUTIONS

If the parish has 400 families or more, we can probably triple the gross receipts annually.

TO LIQUIDATE DEBT OR TO AMORTIZE NEW CONSTRUCTION, WE CAN RAISE THE GIVING IN THE PARISH FROM TWO TO FOUR TIMES.

LET US SHOW YOU HOW

If you would like to know more about this NEW and different fund raising plan a preliminary consultation can be arranged without cost or obligation. For further information write

Business Services for Subscribers

Appreciation must be expressed for the number and the quality of the advertisements in this issue. Without the revenue derived from this source, the price of The Directory to its subscribers would be prohibitive. The announcements in the front and rear sections have been carefully selected and scrutinized to the end that their statements may be accepted with confidence.

The serviceable *Classified Buyers Guide* has been expanded by the addition of many new advertisers, so that the 810 different product and service classifications present a greater choice than ever before. Almost any product or service needed by church, school or institution, is indexed in the thousands of source listings which follow.

Whenever you want to know "who makes it," "who supplies it," or "who can do it" — consult this *Buyers Guide* presented below for your greater convenience. Subscribers who make it a practice to study the *Classified Index* and the advertisements to which it is the key, find it quickly solves their problems of supply, equipment and maintenance.

Your mention of ***The Official Catholic Directory*** when responding to advertisements will be helpful to you as well as to the advertisers and the publishers.

Trust Catholic Mutual: for coverage that's backed by more than $6½ billion.

There's no limit to the amount of coverage Catholic Mutual can provide. Our professional reinsurers — including the famous Lloyd's of London — have over $6½ billion in assets behind them. That's more than enough to back up any claim and to handle the largest risk at low group rates.

And there's another advantage, too. Both safety and economy are accomplished by spreading the risk over every property covered instead of just one diocese. The major risk-bearing responsibility is transferred to the people most qualified to handle it — the professional reinsurers themselves.

Is it any wonder we've earned the trust of so many like you? Trust Catholic Mutual, we won't let you go it alone! Write or call 1-800-228-6108, toll-free, for specific quotes and information.

Dominican Paschal Candle

Traditional Easter Candle

Celebrating 84 YEARS 1897–1981

Paschal candles by Cathedral: specialists in beeswax candles since 1897.

CATHEDRAL'S finest craftsmanship is expressed in the rich symbolism of its Paschal candles of pure, natural beeswax. Observing exact liturgical requirements, plain or beautifully decorated with raised wax and gold leaf ornaments, they glow in steadfast reverence for the rituals and antiquity of the Church. Markings of Alpha, Omega and year date are outlined to be incised for the Easter Vigil Service on our traditional Paschal candle.

Our Dominican style candle was designed by Sister Mary Pia, a Dominican nun.

THE PAPAL ENCYCLICALS

edited by Sister Claudia Carlen, IHM

This is the first full edition of the papal encyclicals ever published in English. The five volume set includes 279 encyclicals, beginning with Benedict XIV (1740-1758), the first pope ever to use the word encyclical as we know it today. One hundred fourteen encyclicals, never before available in English, were translated especially for this edition.

Sister Claudia Carlen, IHM, index editor of the *New Catholic Encyclopedia* and leading expert on papal documents, edited *The Papal Encyclicals*. She provides an introduction to each pontiff and a detailed bibliography of commentaries on most of the encyclicals. A comprehensive subject index in the fifth volume permits immediate access to the encyclicals of eighteen popes from 1740 to 1980.

The Papal Encyclicals is an essential resource for all academic reference collections, including both Catholic and non-Catholic seminary libraries. All diocesan, parish, and clerical offices will want the set on their bookshelves. Prepublication price: $276.00 ($354.00 after March 30, 1981).

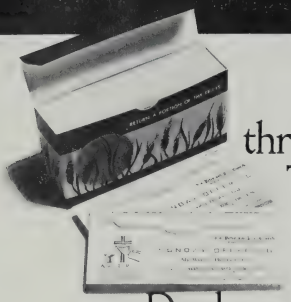
"Effective Fund Raising means proper motivation..."

"I'm Hank Brandt, president of Hank Brandt Associates, Inc. Our business is fund raising, and we've been at it for 23 years. During that time we've learned some important things about what makes people respond to a Church-related appeal.

"Most importantly, parishioners must have a good reason for giving. Motivating them to give, and give generously, is the responsibility of the professional fund raiser. We think our record speaks well for itself.

"Since 1958 we have been serving the Church's financial needs at both diocesan and parochial levels. Over the years we have directed 56 annual diocesan-wide campaigns which have shown consistent, substantial growth in income, a particularly significant factor in recent times of high inflation.

"For individual parishes in many parts of the country, we have organized and directed appeals for new churches and schools, increased operating income, and other essential purposes. Records of these successful campaigns are available upon request.



"In all our work for the Church, the emphasis is on *service, motivation,* and *results*. Our basic purpose is to maintain the continuing interest and good will of the people while involving them more directly in the work of the Church. In every appeal, we seek to provide objective yet personal direction, as well as a close working relationship with clergy and laity.

"If you have had little—or unsatisfactory—experience with fund-raising firms, the kind of professional direction we offer may be exactly what you've been looking for. We'll be happy to arrange a preliminary consultation without cost or obligation on your part. Show us a viable financial objective and we'll show you how to achieve it. We welcome the challenge and the opportunity of serving you and your people."

HOPE YOU ENJOYED OUR SERVICE SUNDAY.

Churches receive their largest share of revenue through collection envelopes.

That's why a well-designed envelope system and an increased revenue program can work wonders for your parish.

Duplex offers competitively priced envelope systems and revenue programs that are made-to-order for helping parishes improve collections.

Our Boxed Envelope Sets, with each envelope numbered to identify the giver and the date, promote contributions by serving as in-hand, weekly reminders of giving. These sets can be adapted, even customized, to meet your special requirements.

And our Mailing Programs, where each envelope is mailed directly to your parishioners, encourage contributions through individual contact. This *"In Touch"* Mailing Program is even computerized for maximum efficiency.

Either of these envelope systems can back up our Increased Revenue Programs which are individually written. The appeal is directed to your parish's particular needs. No pledge cards. No outside fundraiser. These programs are designed to be presented by laymen in a four-part series of prepared talks supplemented by attractive flyers.

For more information on how we can design the most productive collection system for your parish, give us a call. We've been helping parishes since 1903. And we can help you today.

Mark of the Finest!

There are unmistakable signs which identify the most successful Catholic fund raising campaigns as products of Lawson Associates.

Such achievements are stamped plainly "Planned and Directed by Lawson Associates." This is the finest in Catholic fund raising.

Among the signs of our craftsmanship are these:

There is an oversubscription of a maximum goal. There are economical campaign costs. There is a welcome absence of high pressure and distasteful methods. The Pastor is pleased. The people are happy, being a part of a unified parish. There is constant supervision of pledge collections.

Call it craftsmanship, or art, or a science, the skills of Lawson Associates are aided by one human factor which counts highly in our system of fund raising. That is the fact that people like to work with Lawson Associates.

Our Directors, trained and tested, prove the Lawson System of fine fund raising in hundreds of parishes yearly. And, with each campaign, our firm continues to increase its effectiveness, improve its techniques, achieving ever greater success for the Church and its institutions.

L'Osservatore Romano, in its January 23-24, 1956, issue, carried a 2,000 word article on the work which Lawson Associates is doing for the Church in this nation and in Canada. The article was reprinted in **L'Osservatore della Domenica** also published in Vatican City, in its February 5, issue.

You can write, telephone or wire collect for a Lawson Associates representative to discuss your funds problem, without obligation.

Remember this: The best method of determining which firm should be entrusted with the direction of your campaign is that firm's record of achievement.

Tommasi Studios is proud to present above — and on the opposite page, examples of the work it designed and executed for St. Francis of Assisi Church, Norristown, Pa. The main Altar, with Ciborium, illustrated above, is 35 feet high. Steps are of Italian green marble; monolithic columns of red Pernice Monte Pastello marble; soffit and dome Venetian mosaic surmounted by bronze cross.

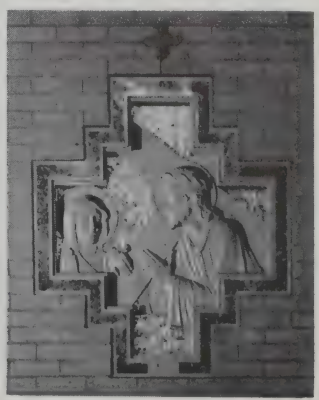
Michelangelo's famous statue of Moses



The idea of duplicating Michelangelo's 8½-foot statue of Moses which stands in the Church of St. Peter in Vincoli, Rome, Italy, originated with Father McGovern, Pastor of St. Francis of Assisi Church, Norristown, Pa. Tommasi Studios was honored by being commissioned to undertake the unusual assignment. An exact replica of the masterpiece, possibly the only one in existence, now graces the vestibule chapel of the beautiful new Norristown Church. Of pure white Carrara marble, it was made from a plaster cast of the original. Every detail has been preserved intact. Also noteworthy is the fact that the marble was derived from the same quarry from which Michelangelo obtained the block for the original sculpture.

At left: Church facade. Upper section depicts Christ and St. Francis. It is 21 feet from base to top. Lower section portrays Abraham and Isaac. Carved in white Carrara marble.

Below: One of the 14 specially designed Stations of the Cross. Carved in ivory color Carrara marble in bas-relief with Venetian gold mosaic background.

ALL WORK, INCLUDING SIDE ALTARS, BAPTISMAL AND HOLY WATER FONTS EXECUTED IN TOMMASI'S OWN STUDIOS IN PIETRASANTA, CARRARA, (ITALY).

20TH CENTURY WORKBOOKS

AND OTHER TEACHING MATERIALS

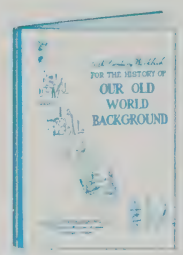
FOR

YOUR CLASSES

To those many thousands of teachers in Catholic schools who have used our 20th Century Workbooks and other educational aids, we express our gratitude best by making every effort to maintain the same high standards of materials and service we have provided in the past.

To those teachers who have not yet had the use of our materials, we ask only that you try our 20th Century Workbooks, educational games, and other teaching devices in your classes. We need no other "sales talk" than this.

THE MAGIC TEACHER PRACTICE PATTERNS



These new PRACTICE PATTERNS afford unlimited drill in the basic skills of Arithmetic. A set consists of four cards, each 5 x 8 in., die-cut so that a small rectangular window appears below each problem. The pupil places the card on a sheet of blank paper and writes each answer in the window. When card is turned over end for end, the correct answers appear just below the pupil's written answers for easy self-checking. Each box contains 4 Sets, a total of 16 cards per box.

MATCH-ME — New reading readiness game for kindergarten and pre-primer. 2 decks of 64 cards each, carrying pairs of identical pictures to be matched.

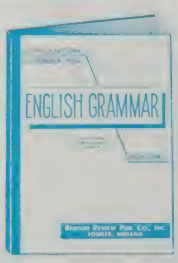
MATCH-WORD — New reading game for primer or first grade, 2 decks of 64 cards each, half the cards bearing pictures and the other half bearing corresponding words.

ADD-A-GRAMS — New game to teach basic addition combinations. Played like anagrams. Easily administered.

THE MAGIC TEACHER PUZZLE-PLANS

The Magic Teacher PUZZLE-PLANS, for teaching beginners, are based upon a simple yet effective and psychologically sound teaching procedure. Their underlying principle is the matching of separate question and answer parts of sets of cards which have been die-cut with jig-saw patterns. The child has to make the associations correctly because each card or item has a different matching pattern. The puzzle element holds his attention and the matching patterns serve as connecting links until he learns the answer. Each set in a box 5 x 8 in. with complete instructions.

The series covers all basic subjects in primary grades. Self-administering and self-checking.



These 16 sets of Puzzle-Plans are available:

RN1 — Reading	NS2 — Subtraction

Why

An Analysis & Plan

"Meeting with Wells"

can be a turning point in the life of YOUR parish

IN TYPICAL LETTERS referring to the Wells complimentary Analysis & Plan Meeting at their churches, pastors write:

"The Wells representative was faced with a group who (at first) were either out of sympathy or apathetic in their attitude" "Something very unusual happened at that meeting and a door opened" "Before the meeting we were thinking in minimums" "A new horizon in giving was established" "A positive confident spirit was created" "The parish laity appreciated the factual, non-pressured approach on the part of Wells" "A turning point in the life of our parish" "I trust that many more parishes who are needing financial guidance will be led to secure your capable help and advice."

The Wells Analysis & Plan is simply an informal meeting with lay leaders at your church. Prior to the meeting a Wells officer spends a day in a thorough study and analysis of the parish's financial and giving records. At the meeting the Wells officer guides your lay leaders through a self-study of these financial and giving records, and of your needs and potentials.

With Wells guidance, the group may be able to decide *why* the parish should take action, *what* the parish will do, *when* the parish will do it, and *who* in the parish will be responsible. These are primary decisions which give proper definition and direction to a planned financial program, decisions which mean greater success for your program. That's why so many pastors —and laymen—consider the Wells Analysis & Plan Meeting as the turning point in their progress toward a permanent higher-standard of giving as well as toward the attainment of more immediate financial objectives.

As a lay leader or pastor, you are invited to call collect or write today. Through our nearest regional office we will gladly make an appointment for a Wells officer to meet with lay leaders of your parish to help you analyze and plan your program. There is no charge or obligation for this Wells service.

Wells Follow-Up Procedure Incomparable

"It is now three months since the conclusion of our Wells Organizations canvass. At the close of the canvass our goal of $400,947 was realized. Due to the splendid follow-up program of Wells, we have added $39,000 pledged to our total since the canvass itself was concluded.

"To my mind the principal value of a Wells canvass is the emphasis on the giving through the weekly Sunday envelope. Our identified Sunday envelope giving has more than tripled since the conclusion of the canvass. I recommend heartily the Combined Funds canvass with its single weekly giving and elimination of second collections. This was a great selling point with the parishioners. The workers were very enthusiastic about the Wells system of parish canvassing, and your director was well received by the men.

"I do not believe any fund-raising organization can compare with Wells in respect to the follow-up procedure. We have established a continuing organization which, under the constant supervision of Wells, has guaranteed collection of pledges and obtained new signers of pledges. A very important feature to my mind is the fact that once the three-year period of the canvass has passed, the parishioners will be in the habit of giving more generously in the weekly envelope and thus our weekly level of income will always be much higher than before the canvass.

"In conclusion I wish to recommend Wells Organizations very highly and would unhesitatingly extend this recommendation to any pastor seeking an intelligent Christian method of inducing his parishioners to raise their church-giving level."—*The Rev. W. B. Moore, O. P., Pastor, St. Vincent Ferrer's Church, Vallejo, Calif.*

* * *

Impressed with Spiritual Emphasis

"The goal we set for ourselves—$115,000 —seemed extremely ambitious and was much larger than any previously attempted in the history of the Parish. At this time, to the amazement of all, we have overwhelmingly surpassed the goal and can now report that our pledges have reached the total of $198,832.41.

"The leading men of the Parish are all agreed that this large sum of money could not have possibly been raised locally without professional help such as was furnished by the Wells Organizations.

"I am particularly impressed with the spiritual emphasis that is always uppermost in the work of your organization."—*Very Rev. Charles J. Baum, V.F., Pastor, St. Mary's Catholic Church, Greenville, South Carolina.*

Turn-of-a-dial Control over all operations

with this privately-owned telephone system

P-A-X links every room with every other room.
Especially important in schools. A faculty member receives a brief P-A-X call from office requesting a student's presence. Student can be on his way within a few moments.

P-A-X links Training Supervisor to other groups.
With its fingertip convenience, she can summon individuals for personal guidance, make appointments, schedule meetings—without leaving her desk!

P-A-X links service departments with staff.
Instructions to boiler room, cafeteria, maintenance and other service departments via P-A-X speed administrative routines. In emergency, control is quick, positive.

A study of communications at a modern high school is offered in an 8-page booklet of special interest to administrative personnel. Write for your free copy of "P-A-X at Mumford High School"

Directors of Catholic Institutions coast to coast find the quick, private communications provided by a P-A-X Business Telephone System a principal source of *operating control*. P-A-X Systems in schools, convents, monasteries, and welfare agencies have helped make administrative jobs easier, speeded up work, promoted efficiency. Here's the reasons given by most Directors: just a turn of the P-A-X dial on these standard-type telephones brings the voice of teacher . . . gym coach . . . personnel director . . . engineer . . . right to the Director's desk *in seconds*, providing needed information on the spot!

In the same way, P-A-X saves time for his staff, his co-workers, for *everyone* involved in running the institution. That's why so many administrators are putting P-A-X into their building and modernization plans. There's a P-A-X System for the special needs of *your institution*, "customized" with features and services as *you* want them. Why do modern school systems install Mutschler?

The school homemaking kitchen and laundry are two of the department's most vital areas. And, they should simulate home conditions as nearly as possible. Schools rely on Mutschler equipment and planning help because they benefit by the experience of a company that has been the "first name in kitchens since 1893." Schools also receive help in planning complete homemaking departments with Mutschler cabinetwork of finest northern maple construction. Cabinets are available in a choice of catalytic natural grain or colored enamel finishes. These finishes are practically impossible to scratch, and are impervious to household solutions and solvents. Write your nearest Mutschler sales representative below for complete information, without obligation.

THE FATE OF THE "FISHERMAN'S RING"

The representation of Saint Peter fishing in a boat lends the name "Fisherman's ring" to the personalized signet worn by the Pope. The ring pictured above was given to Pope Leo XIII at the time of his consecration, and was used to seal all briefs during his lifetime. Unlike symbols of other offices, however, the Pope's ring is not passed on to his successor. It is solemnly broken upon his death, and a new one is made for the next Pope.

St. Mary's Cathedral at Covington, Kentucky, one of the oldest and most venerated Roman Catholic Cathedrals in the United States, contains in the great window of the north transept one of the largest and most renowned stained glass windows in the world. From Covington Diocese, in early days, Catholicism spread throughout the entire Upper Middle West. St. Mary's Cathedral has been honored by the Pope with the designation of Basilica. The marble floor of the Sanctuary, time-worn and maintenance abused, was restored to its original beauty by Hillyard floor treatments applied under supervision of a Hillyard Maintaineer.

The Quality of the Candle Reflects the Spirit of the Offering

Root QUALITY ROLLED BEESWAX CANDLES

...unlike ordinary altar candles, are not dipped or molded, but rolled from sheets of 51%, 67%, or 100% guaranteed beeswax, specially refined to remove more of the smoke-producing resins. The result is a far stronger candle... non-bending in hottest weather... cleaner... with up to 15 to 25% more burning time than other altar candles of the same composition. We invite your comparison: samples sent on request.

ROOT BOTTLE LIGHTS represent the outstanding advance in sanctuary lights of the past century. Originated by Root, its exclusive neck design directs the heat to the wax, insuring quick, even melting and a steady flame. Samples sent on request (Rubrical or Regular).

There is nothing to compare with the sweet God-given aroma of genuine beeswax.

An Effective and Successful Fund-Raising Service For Catholic Institutions

Here is a fund-raising service that produces out-of-the-ordinary results for Catholic Parishes . . . the kind of results which prompted the following comments:

PACIFIC GROVE, Calif.: "In the National Fund-Raising Services we found all that we had expected to find: men who knew their jobs, and a system that would work without giving offense to anyone."
(Goal $100,000 — Raised $137,490)

WEST ST. PAUL, Minn.: "Our goal was $250,000; the subscriptions now total slightly over $300,000."

PORTLAND, Ore.: "We were very anxious to engage an organization that could do the job without upsetting the spiritual temperament of the parish by use of high pressure tactics, and hired the National Fund-Raising Services only after determining that it was the best qualified to meet these conditions." (Goal $200,000 — Raised $234,600)

FORT SMITH, Ark.: "I feel quite sure that the parish would never have been able to raise the money for this work without help of the kind that your organization gave us."
(Goal $150,000 — Raised $156,028)

BELVIDERE, Ill.: "Our campaign has come to a victorious conclusion . . . our goal was $125,000 and on the concluding date, we had pledged over $160,000."

BOUND BROOK, N. J.: "We have achieved victory! Your director both inspired and enthused leaders and workers with his knowledge and skill of fund-raising techniques."
(Goal $150,000 — Raised $152,250)

FORT WORTH, Tex.: "The campaign brought not only much needed pecuniary remuneration but, what is of greater importance, a happy unifying effect upon the entire Parish." (Goal $125,000 — Raised $125,010)

BROADALBIN, N. Y.: "Because of the careful planning and skillful execution of the drive conducted by you, with a loyal and hard working committee, we have exceeded our goal by several thousand dollars. Our dream of a new church has become a reality."
(Goal $75,000 — Raised $83,000)

MARSHFIELD, Wis.: "Without the know-how and persistent attention to details of your organization, our effort would not have been the tremendous success it was."
(Goal $300,000 — Raised $427,607)

MOSES LAKE, Wash.: "The organization plan of your Campaign is such that everyone is made an integral part of the work and, thus, everyone feels that he is absolutely necessary to get the job done."
(Goal $100,000 — Raised $144,423)

GLENCOE, Mo.: "I should like to commend the efficient, businesslike procedures set up in the campaign offices. We now have files on prospects that far surpass anything we had hoped to have."
(Goal $850,000 — Raised $1,100,000)

MINNEAPOLIS, Minn.: "I am sure that we would not be celebrating a victory had it not been for the splendid work of your directors. The spirit with which they undertook the arduous work of the campaign was very edifying."
(Goal $150,000 — Raised $150,541)

SOUTH SIOUX CITY, Neb.: "Without your Director's assistance I am certain we could not have gone over the top in the manner that we did."
(Goal $100,000 — Raised $136,720)

KELLYS ISLAND, Ohio: "The Board of Directors of our church joins me in a sincere expression of appreciation to you for the excellent services National Fund-Raising Services, Inc., gave us during the period of public relations and the campaign."
(Goal $30,000 — Raised $45,862)

Superior for '56

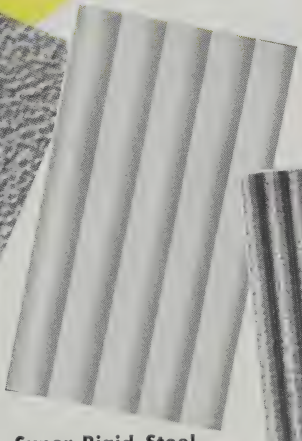
SUPER-RIGID
and
SUPER-KOTE
STEELS

Additional safety, lower maintenance, greater beauty, longer bus life . . . these are the significant benefits inherent in the group of new, specially-processed steels featured on your 1956 Superior Coach.

Steel is basic to the construction of *any* school bus. But Superior, in its constant effort to improve school bus safety standards, has gone beyond conventional use of body steels. Superior makes *maximum* use of steel. Special steel processing, improved construction methods, and the finest materials all go into the bus that is in every respect . . . safer by design and safer for your children. Superior Coach Corporation, Lima, Ohio.

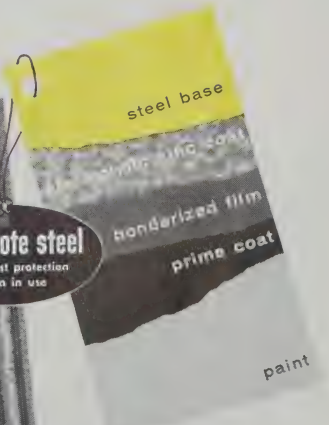


SUPERIOR COACHES

Superior...
safer by design

Super-Rigid Steel Interior Panels

. . . stucco-rolled for greater durability, more beauty, less maintenance. Exclusive stucco-rolled pattern resists scuffs and scratches, greatly reduces maintenance costs common to smooth panels, improves appearance of coach interior. Standard on top, sides and rear interior of your Superior Coach.

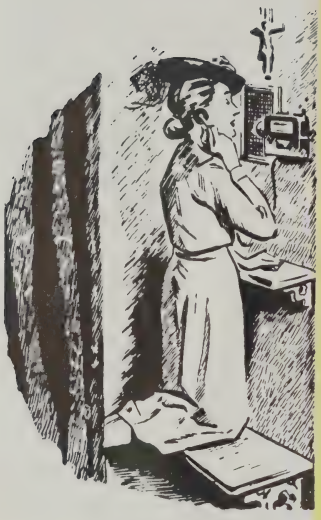


Super-Rigid Steel Ribbed Panels

. . . deep ribbed for greater impact resistance. Deep, full ribs give these inside and outside wall panels much greater strength and impact resistance than that of flat panels used on ordinary buses. Employs same design principle as panels used on commercial buses, trains, airplanes and other modern vehicles. Ribbed panels extend from seat line to windows inside, windows to floor line outside.

Super-Rigid Steel Seat Backs

. . . ribbed for strength, scratch resistance. Fine rib pattern adds structural strength to passenger seat, resists scars and scratches far better than smooth seat backs.

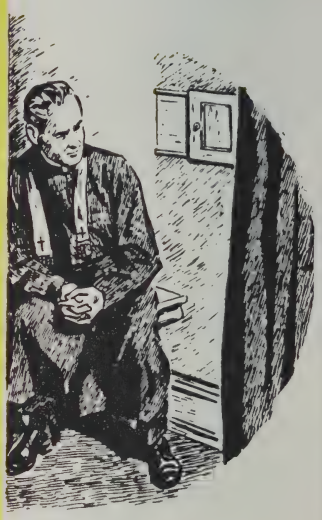


. . . zinc coated for rust resistance. A full year's use has proven Super-Kote Steel to be far more rust resistant than any other bus body steel. It's zinc coated to resist rust, bonderized to grip paint, specially Epon primed and heavily enameled to retain new-bus appearance.

HOW YOU CAN REMOVE THIS

"Hidden Barrier"

that keeps the hard-of-hearing away from confession



"In every parish, there are hard-of-hearing people who are easily disposed to lose their precious Faith because they find confession such a tragic adventure"... So warns Rev. George J. Haye, director of the Apostolate for the Deaf and Hard-of-Hearing.

The Apostolate authoritatively reports that 18% of all Catholics suffer a hearing impairment—that leads them to neglect confession.

Now you can draw these sensitive, embarrassed parishoners back into the comfort of the sacrament. Hundreds of churches and cathedrals are already doing so—with Confessionaire.

Confessionaire brings the priest's faintest whisper clearly and distinctly to the afflicted penitent. It is as easy to us as a telephone, simple to install in any confessional, and plugs into any standard AC or DC outlet. The modest cost is only $74.00 complete. But you are invited to try it—without cost or obligation of any kind—in your own church, for 30 days. If you find Confessionaire the indispensable answer to this acute problem, we will bill you later. Otherwise, you may merely return it, express collect, and owe us nothing.

Confessionaire

HEARING AID FOR CATHOLIC CONFESSIONALS

"as effortless to use as a telephone"

Only $74.00 complete

Standard accessories extend the benefits to the "Hard-of-Hearing" priest, as well.

- Send for 16-page brochure describing the Confessionaire and accessories to aid the hard-of-hearing priest.
- For a 30-day FREE trial of the Confessionaire, write us on your church letterhead. It is understood that you may return it — express collect — and owe nothing. If you decide to purchase it, we will bill the church later — for only $74 plus a small shipping charge.

Complete Bicentennial Edition in Four Volumes. Edited, Revised, and Supplemented by Herbert Thurston, S. J., and Donald Attwater. Foreword by Francis Cardinal Spellman

BUTLER'S LIVES

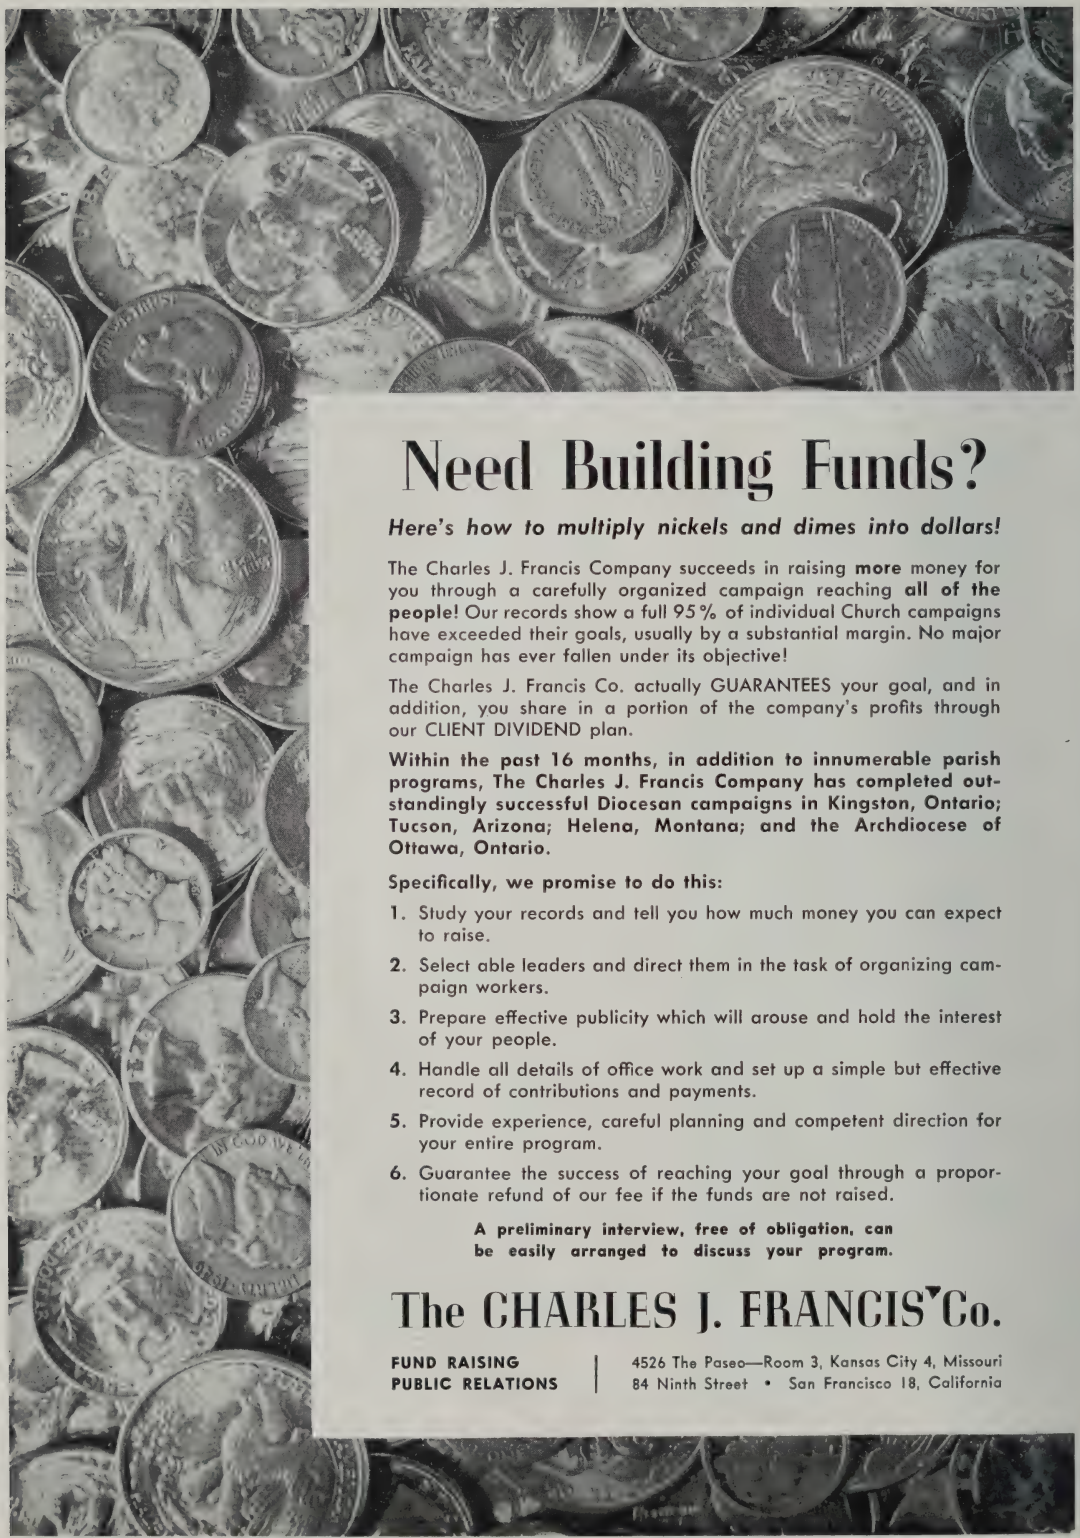
The supreme work on the Saints

Now, at last, the complete modern revision of this classic of Christian knowledge. With a Foreword by Francis Cardinal Spellman

SINCE before the American Revolution, BUTLER'S LIVES OF THE SAINTS has been bringing inspiration, joy, and renewed faith to uncounted millions throughout the English-speaking world. It is one of the most beloved books of all time.

The great work of revising it in the light of modern scholarship and recent Church history has now at last been brought to completion—in time for the Bicentennial of its first publication in 1756.

This monumental 1956 Edition is the most complete and authoritative account of the Saints and Blesseds ever published in English. Twenty-five years in preparation, it is the first full revision of Butler's text. Its four massive volumes contain nearly 1000 more biographies than the original edition, over 2500 in all. It includes all canonizations and beatifications that have occurred since Butler's time.



By distinguishing expertly between canonical truth and pious but misleading legend, the editors have corrected many common misconceptions about the Saints. They have brought the Saints marvelously close to our own lives, our own hopes, our own problems. Here are the Champions of the Faith, presented as the inspiring but human and sometimes imperfect men and women that they really were. We who share their imperfections may find, in their lives assembled here, the way to some of their saintliness.

• More than 2500 biographies, arranged according to the days of the year. • Over 3200 pages. Index by both name and date in each volume. Complete index in final volume. • Handsome illuminated binding with gold stamping.

Four Volumes, boxed
Price $39.50

COLLECTIO RITUUM

The Latin and English Authorized by the Holy See for Use of Clergy in the United States.

Here is the approved translation of the bilingual ritual which permits portions of the Sacraments of Baptism, Matrimony, and Extreme Unction, supplementary Catholic burial rites, and many blessings to be given in English. The new translation, prepared by liturgical experts, is modern-day English in a dignified idiom which preserves the solemnity of the rites.

Those portions which may now be said in English are clearly indicated, with their Latin translations appearing in the adjacent column. Portions which must still be said in Latin are also plainly shown, with their English translations appearing as footnotes. Latin and English indexes.

Hints and Helps

FOR THOSE WHO USE THE CATHOLIC DIRECTORY

The exact page location of the various sections of the Directory mentioned in this Foreword may be found by consulting the alphabetical index on page vi.

A Public Service

Each year the editors of the Official Catholic Directory seek new ways of being of service to those who support it. Although the time may never be reached when the book will contain all that it could possibly have to be perfect in this respect, the latter is a goal towards which we are constantly aiming. After all, the Directory, in a broad sense, is no private enterprise carried on for purposes of personal profit. It is a work supported by its users as a public service and, as such, the format, arrangement and editorial features must be directed towards the convenience and needs of the public it is designed to serve. Nor does this policy stop with the editorial contents. The advertisements in the Directory are accepted by us with the user of the Directory in mind. It has always been our proud boast that our advertisers are *selected* rather than *solicited*. Before they appear in the Directory, the editors have made certain that the potential consumer can safely place full confidence in their products.

With this dedication to the public good in mind and because of the many editorial features and improvements constantly being included in the Directory, we believe it wise to devote some space and time towards giving you a clearer, more comprehensive idea of what the Directory contains and how to use these contents to best advantage. First then, we list a short summary of the parts of the book, after which we explain how they may be used.

What the Directory Contains

1. List of the Governing Bodies in Vatican City.

This is a list of all the officials, beginning with the Pope and continuing through the College of Cardinals. The duties of each of the Sacred Congregations and Offices together with its officials are given. A list of the National Colleges in Rome, together with a chronological table of the Popes, completes the Section.

2. List of the Provinces of the United States.

This is a list of all the Archdioceses and Dioceses of the United States arranged under the provinces to which they belong. The names of all Archbishops and Bishops together with appointment and consecration dates are given.

3. Detailed Reports from Archdioceses and Dioceses of the United States.

This section, forming the largest part of the book, gives the most detailed information on the Catholic Church in the United States. Examples of its wealth of information will be given later.

4. Detailed Reports on U. S. Possessions and Those Parts of the World in which American Priests and Religious Labor in Missionary Work.

This section contains substantially the same information on foreign territories as the preceding one does concerning the Catholic Church in the United States.

5. Special Listing of the Organization and Personnel of the National Catholic Welfare Conference.

6. General Statistics on Religious Orders of Men and Women.

In this section each Religious Order lists the number of Provinces it maintains, the superiors of the Provinces, the number of various classes of religious in the province, the number and kind of institutions it serves or maintains and the Dioceses in which its members are working. It is preceded by an exhaustive cross index.

7. A special listing of those societies engaged in missionary work giving the nature of their work, the territories in which their members are engaged and the local boards in various cities which aid or support them.

8. A list of the cities, towns and villages in which there is located a church with a resident priest or a Catholic institution, or both.

This section lists each city, the state in which it is located and the abbreviation of the Archdiocese or Diocese to which it belongs. A key to these abbreviations is given on a special page located immediately preceding the alphabetical list of places.

9. List of the Hierarchy of the United States alphabetically arranged, together with their addresses.

10. List of the Hierarchy of the United States arranged according to their seniority.

11. An alphabetical list of the Clergy, which includes all priests, both Secular and those belonging to a Religious Order or Community.

This list gives the diocese to which the priest belongs, the city and street address or institution at which he now resides, or his last known address.

12. Necrology of the United States Hierarchy and Clergy.

Here are listed alphabetically all those prelates and clergymen who have died since the last issue of the Directory. The address and diocese of each are given, together with the date of death.

13. A General Summary.

This is a general recapitulation of the statistics of each Archdiocese and Diocese. Total numbers for the United States and its possessions are given.

How to Find Things . . .

All these things the Directory contains—a wealth of names, statistics and relevant data such as few other books of reference encompass. It is indeed so much matter placed together in limited space that one may be excused a certain perplexity as to the quickest way to secure some particular point of information. A few pointers, then, may not be amiss.

. . . About the General Plan . . .

Each of the Reports of the various Archdioceses and Dioceses is alike in so far as the general layout is concerned. There is first a list of Officials. Then the churches in the See City are given, alphabetically arranged. This is followed by

a list of the Churches outside the city, alphabetically arranged according to places of location. With each Church are listed the parochial schools, missions, stations, and cemeteries associated with it. (Parochial cemeteries are identified by [CEM]; interparochial or joint cemeteries by [JC].) Following this is a listing of the Institutions of the Diocese. In the listings, arrangement of these Institutions follows closely the order of their presentation in the General Recapitulation. Postal delivery unit numbers are printed following street addresses in the diocesan listings. After the Institutional listings, there are summaries of the Religious Communities of Men and the Religious Communities of Women in the Diocese; a list of Diocesan cemeteries, if any; a Necrology listing those priests who have died during the year and, lastly, a Diocesan Recapitulation of Statistics.

. . . About Prelates . . . Let us suppose you want to know something about a prelate. If you know his name, the best place to look first is in the Alphabetical list of Secular and Regular Priests of the United States. This will give his full name and address as well as the Diocese to which he belongs. Upon turning to the Diocese, you will find, usually, the dates of his ordination, appointment and consecration, as well as the dates of his transference in the event he served in any other Diocese. You will usually also find his secretary's name and address, a point of information sometimes very useful. If you want to know what place he would take in solemn procession, consult the Seniority list of Bishops which immediately follows the Alphabetical list of Bishops and immediately precedes the Alphabetical List of Secular and Regular Priests.

. . . About Officials . . . In the event you wish some information concerning Diocesan officials, the Superintendent of Schools, let us say, you will find it in the Administrative Officials section directly under the name of the Bishop in each Diocese. In most cases both home and office addresses are given. You will also discover the ecclesiastical degrees and sometimes the higher educational degrees which should follow his name and formal address. All the officials connected with the governance of the Diocese are listed in this section. In the event that the address of the official you seek is not given, look him up in the Alphabetical List of Clergy.

. . . About Places . . . The place list of cities and towns in the United States tells you at a glance to just what archdiocese or diocese any particular one belongs. The cities and towns are arranged in strict alphabetical order and are followed by the abbreviation of the Archdiocese or Diocese where located. When a town has no post office, the correct mailing address or Post Office will be found in italics, immediately following the town desired, e.g. Reno, Iowa *Cumberland P.O.* DM. The Post Office address will be found in its alphabetical position with the name of the town where the church or institution is located immediately following in Roman type, e.g. *Cumberland, Iowa* Reno DM. Different localities have particular ways of abbreviating Rural Free Delivery. You will encounter it as: R.F.D.; R.R.; R. A key to the Diocesan abbreviations used will be found conveniently placed immediately preceding the alphabetical list of places.

. . . About Statistics . . . If you are interested in securing statistical information you can find it in the individual Recapitulations at the end of each Archdiocese and Diocese. These Recapitulations give the number of Institutions and the number of people attending them for the entire Diocese. We have taken from these Recapitulations those figures we consider to be most vital and summarized them in a general Recapitulation giving totals for the entire country. This will be found directly after the Clergy List and Necrology.

. . . About Clergymen . . . If you know the clergyman's name, the fastest way to discover his address is to look in the clergy list. This will give you his Diocese and address. If there is a number in brackets in the listing, he is stationed at the Church bearing that number in the city and Diocese indicated. The numbers are inserted only for Churches in the larger cities having ten or more Churches. If you are not sure of his name but know the city or town he is in, look that up in the Alphabetical list of places. This will give you the Diocese. The first priest's name in a parish listing is that of the Pastor unless otherwise identified. Often a parish has both a Pastor and an Administrator. In such instances, the latter's title is spelled out and the listing follows that of the name of the Pastor.

. . . About Religious Order Priests . . . Those priests belonging to Religious Orders are listed at the Churches and Institutions they serve. You will find at the end of each Diocesan report a list of the Religious Communities of Men active in that Diocese and the Churches and Institutions at which they are stationed. If you should desire further information about any particular order you can consult the Index to Religious Orders which directs you to more detailed and comprehensive information concerning the order. Since many Religious Order priests are engaged in Missionary work outside the United States the abbreviation of that province of his order to which he belongs is given, as well as his mailing address.

. . . About Brothers . . . In the United States, as well as in other countries, there are men who, while not ordained priests, live in community in the same manner as Religious Order priests. Some of these men are attached to Religious Orders of priests while others have formed their own Religious Community. Thus, in the Society of Jesus, there are ordained priests and brothers. On the other hand the Brothers of the Christian Schools, for example, have no connection with any Religious Order priests. You will find immediately following the Statistics on Religious Orders of Priests a listing of the Orders of Brothers who are independent of Religious Orders of Priests. Those Brothers who belong to Religious Orders of Priests are listed with their Order in the section devoted to Religious Orders of Priests.

. . . About Nuns . . . There are approximately 275 different Religious Communities of Women operating in the United States. To find general statistics on any particular one the first thing to consult is the Statistics of Religious Orders Section. Here you will find the number of Sisters, Postulants, Novices, etc. of each province, the number and kind of Institutions they maintain or serve and a listing of the Archdioceses and Dioceses in which they are represented. If you want to know, therefore, where the motherhouse of the nuns teaching at a certain school is located you have only to look the name up in the Religious Order Section. On the other hand, if you wish to know whether a certain order is represented at a certain school, you have only to consult the list of Religious Communities of Women in the Diocese, which you will find at the end of the report of each Archdiocese and Diocese.

The Complete Edition As you probably know, the Catholic Directory appears annually in three different forms. Volume One is the United States edition and contains information only on those Dioceses in the United States and its possessions. Volume Two is the Complete edition and contains everything in Volume One to which

are added also Diocesan reports for Canada, Ireland, England, Scotland, Wales, Australia, New Zealand, Bermuda, Cuba, Mexico and the Philippines. These reports for Canada are similar to those for the United States. There is also a List of Places for Canada which may be used exactly as the United States Place List. Volume Three contains everything in Volumes One and Two and is very substantially bound in cloth.

In this attempt to facilitate your use of the Directory, we have tried to cover all the questions which may arise. However, we realize that there may be some special aspect, peculiar to your work, upon which we have not touched. If this is so, please feel free to call on us for further information. As we have said, the Directory is a work of Public Service. Each year refinements and improvements are added. With your cooperation there will be more of these in the future. It is your Directory and, ultimately, will take whatever form serves you best. Accordingly, your corrections and suggestions are warmly welcomed.

PART I

Hierarchy of the Catholic Church

The Catholic Hierarchy, or the governing body of the Catholic Church, consists of His Holiness the Supreme Pontiff, assisted by the Sacred College of Cardinals and by several Sacred Congregations, or permanent ecclesiastical committees, of which the Cardinals are the chief members; by the Patriarchs, Archbishops and Bishops; by the Apostolic Nuncios and Delegates, Vicars and Prefects, and by certain Abbots and other Prelates.

HIS HOLINESS THE POPE

BISHOP OF ROME AND VICAR OF JESUS CHRIST,
SUCCESSOR OF ST. PETER, PRINCE OF THE APOSTLES,
SUPREME PONTIFF OF THE UNIVERSAL CHURCH.
PATRIARCH OF THE WEST, PRIMATE OF ITALY,
ARCHBISHOP AND METROPOLITAN OF THE ROMAN PROVINCE,
SOVEREIGN OF VATICAN CITY.

PIUS XII

EUGENIO PACELLI

NOW GLORIOUSLY REIGNING

The direct successor of St. Peter was born in Rome, March 2, 1876; ordained Priest, April 2, 1899; appointed Apostolic Nuncio to Bavaria, and promoted to the Titular See of Sardes, April 23, 1917; consecrated Archbishop by Pope Benedict XV, May 13, 1917; Apostolic Nuncio to Germany, June 22, 1920. Created and proclaimed Cardinal, December 16, 1929. Appointed Secretary of State, February 7, 1930. Elected Pope, March 2, 1939, crowned March 12, 1939.

VATICAN CITY

By virtue of the concordat signed on February 11, 1929, the Feast of Our Lady of Lourdes, ratifications of which were exchanged on June 7, the Feast of the Sacred Heart, the complete and independent authority of the Pope to rule in his own possessions was recognized by the state. The territorial possessions of the Holy Father are called Vatican City and within its limits the Sovereign Pontiff's authority is recognized as supreme.

The Sovereign of this small state is His Holiness, the Pope.

The Governor is Marquis Commendatore Camillo Serafini, born in Rome in 1864.

The Apostolic Nuncio to Italy is Most Rev. Giuseppe Fietta, Titular Archbishop of Serdica.

THE SACRED COLLEGE OF CARDINALS

The Cardinals, when duly constituted and proclaimed, form the Supreme Council or Senate of the Church. They are advisers of the Supreme Pontiff, and at the death of the Pontiff they elect his successor.

There are three orders of Cardinals, *Cardinal-Bishops, Cardinal-Priests,* and *Cardinal-Deacons;* but these orders are distinct from those of the Hierarchy. With very few exceptions, the Cardinal Priests are Archbishops or Bishops, and the Cardinal Deacons are Priests. The Sacred College of Cardinals, when complete, consists of 70 members—6 Cardinal Bishops, 50 Cardinal Priests and 14 Cardinal Deacons.

The Cardinal Bishops take their title from the Suburban Sees of Rome, which are: *Porto and Santa Rufina, Albano, Palestrina, Sabina, Frascati, Velletri.* The Cardinal Dean has united to his See the See of *Ostia.* The Cardinal Priests take their title from the "Titular Churches" to which they are appointed: the Cardinal Deacons are appointed to other Churches called "Deaconies." The first Cardinal Bishop is *Dean;* the first Cardinal Priest is *First Priest;* and the first Cardinal Deacon is *First Deacon* of the Sacred College. The Dean has the right of consecrating, and the First Deacon the right of proclaiming and crowning a new Pope. On the death of the Pontiff, the Cardinal *Camerlengo* has the Administration of the affairs of the Holy See.

(The "creation" of a Cardinal sometimes precedes, even by several years, the "publication and proclamation." The Cardinal is then said to be "reserved *in petto,*" and when proclaimed, he takes the precedence according to date of creation.)

Archdiocese of Indianapolis

(Archidioecesis Indianapolitana)

Most Reverend

PAUL SCHULTE, D.D.

Archbishop of Indianapolis; appointed Bishop of Leavenworth May 29, 1937; consecrated September 21, 1937; appointed Archbishop of Indianapolis July 20, 1946; formally installed October 10, 1946.—Chancery Office, *128 W. Georgia st., Indianapolis 25, Ind.* Office Telephone: Me 5-2579.

ESTABLISHED A DIOCESE IN 1834; ARCHDIOCESE DEC. 19, 1944, BY DECREE OF POPE PIUS XII.

SQUARE MILES = 13,489

Comprises the counties of Bartholomew, Brown, Clark, Clay, Crawford, Dearborn, Decatur, Fayette, Floyd, Franklin, Hancock, Harrison, Hendricks, Henry, Jackson, Jefferson, Jennings, Johnson, Lawrence, Marion, Monroe, Morgan, Ohio, Orange, Owen, Parke, Perry, Putnam, Ripley, Rush, Scott, Shelby, Switzerland, Union, Vermillion, Vigo, Washington and Wayne, and the township of Harrison in Spencer County, in the southern part of Indiana, with a Total Population (1950 Census) of 1,505,527.

The Diocese of Vincennes (now Indianapolis) was established by decree of Gregory XVI, May 6, 1834, and the See was fixed at Vincennes. The territory then comprised the entire State of Indiana and the eastern part of Illinois.

By a decree of Pius IX, January 8, 1857, the northern half of the State was erected into the Diocese of Fort Wayne. The southern half of the State remained the Diocese of Vincennes.

The second Bishop of Vincennes, by Apostolic Brief, was permitted to establish his residence either at Vincennes, Madison, Lafayette or Indianapolis; the See city, however, to remain at Vincennes. This permission was renewed to the fourth Bishop, with the exception of Lafayette.

On the appointment of the fifth Bishop, he was directed to fix his residence at Indianapolis, but the Cathedral and title of the See were continued at Vincennes. By an Apostolic Brief dated March 23, 1898, the title of the Diocese was changed to that of "Diocese of Indianapolis," with the Episcopal See in the city of Indianapolis. By the same Brief the Patron Saint of the Diocese is to remain St. Francis Xavier, title of the old Cathedral, Vincennes.

On December 19, 1944, by the Executorial Decree of the Papal Delegate, Most Reverend Amleto Giovanni Cicognani, Archbishop of Laodicea, Apostolic Delegate to the United States of North America, the Papal Decree of Pope Pius XII was solemnly proclaimed in SS. Peter and Paul Cathedral, Indianapolis, elevating Indianapolis to the status of an Archdiocese, the State of Indiana being the Metropolitan Area. The Dioceses of Evansville and Lafayette in Indiana were created by the same decree and made Suffragan Sees of Indianapolis.
